

20TH ANNUAL
Snapshot Day
 May 4th, 2019

**Protecting Central Coast streams and
 Monterey Bay National Marine Sanctuary for 20 years**

Become a citizen scientist and learn about the health of streams in your backyard. Collect important water quality data and take action to protect our water resources for the people, plants and animals that need them. This event is open to all ages and experience levels.

Trainings

Saturday April 27
 11 am - 1 pm
 or 2 pm - 4 pm
 REI, Marina
