

Science Publications: 1992-2005

Below is a list of publications (1992-2005) critical for sanctuary management that were authored or co-authored by **Monterey Bay National Marine Sanctuary staff (shown in bold font)**, supported (fully or in part) by Monterey Bay National Marine Sanctuary funding, or authored by sanctuary partners. More recent publications (2006 – present) are available at [MBNMS Science Publications](#). You may also browse the [Bibliography page of the SIMoN website](#) for peer-reviewed and “gray” literature relevant to national marine sanctuaries of California.
