COLLEGE

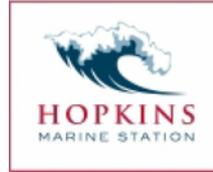

Eight higher education  
institutions around  
Monterey Bay:

2 two-year,  
2 four-year,  
4 graduate-only

# How are we conducting outreach?

## Past: email targeted to student groups

Marine science professors  
Dr. Kevin Raskoff      Dr. Nicole Crane

**and in-person outreach:**  
Facilitated local conservation policy panel at MARINE annual colloquium in May 2019.

More time-effective.

Tagging student orgs takes advantage of the same targeted channels as email.

Much easier to elicit student feedback on subjects of SAC discussion.
