Pacific Grove Hyperbaric Chamber

Monterey Bay has become a premier diving destination, offering some of the most beautiful and pristine diving areas in the country. The City of Pacific Grove, on the Monterey Peninsula, has provided medical treatment to injured divers with its hyperbaric chamber since 1963. While the City of Pacific Grove provides for many of the chamber's operation needs, the facility needs additional fiscal support to reopen and continue to offer these important medical treatments. Please consider a donation to help this much needed, important resource for the local dive community.
