Car collectors worldwide dream of competing at the Pebble Beach Concours d'Elegance, where the famed 18th fairway of Pebble Beach Golf Links is the stage and the rolling Pacific Ocean serves as backdrop. Begun in 1950, this concours is the top-ranking collector car competition in the world. It is also the event to which most other modern concours now trace their roots. Initially modeled on the early European concours that showcased new cars, the Pebble Beach Concours shifted its focus to collector cars in 1955-and other concours followed suit.
