Where to Buy Fresh Fish from the Boat

Fresh from the Boat
FishLine lets you know where you can purchase fresh, locally-harvested seafood anywhere for FREE! FishLine provides info on purchasing directly off-the-boat from fishermen and from local seafood markets, farmer’s markets, restaurants and cafés. FishLine uses your smartphone’s GPS to find the nearest port, boat, market or restaurant.
with fresh seafood for sale, so if you are on vacation or are near several ports, FishLine will help you figure out the closest outlet with the fish you want. And before you head to the coast, check the weather and tide tables of nearby ports.

Miles of the most beautiful coastline in the world - and for runners, the most challenging. The athletes who participate in the Big Sur International Marathon may draw inspiration from the spectacular views, but it takes major discipline to conquer the hills of Highway One on the way to the finish line. Named "Best Marathon in North America" by The Ultimate Guide to Marathons.

Pier Safari: Look for the inhabitants of San Simeon Bay and pier by using your senses of vision and hearing. Learn how to identify the seasonal birds and animals that migrate through the bay, and practice your science skills by collecting and analyzing data and looking at plankton used to determine the health of the bay. Plankton will be examined using the Center’s video microscope. Phone: 805.927.2145

Welcome to the Sanctuary Exploration Center! Located just steps away from the ocean and Santa Cruz Wharf, the center features state-of-the-art exhibits and interactive displays highlighting the sanctuary and its incredible underwater environment. Visitors can explore the sanctuary’s remarkable marine environment as well as their personal role in protecting one of our nation’s underwater treasures.

Visit the Exploration Center website

The Monterey Bay National Marine Sanctuary Advisory Council was established by Federal law to assure continued public participation in the management of the Sanctuary. Since its establishment in March 1994, the Advisory Council has played a vital role in the decisions affecting the Sanctuary along the central California Coast. The Advisory Council meets bi-monthly in open sessions located throughout the almost 300-mile boundary of the Sanctuary. MEETINGS AND AGENDAS
